Step 2:

The first time that any card is used; you will be asked to enter and confirm a password for added security and an email address at which the name of the cardholder can receive payment confirmation.

You will be asked for this password each time you log on with the same Payment Card Number.

All users of www.allpayments.net must have a valid email address.

Step 3:

You will be greeted with a message confirming the name of the organisation to which you are making a payment. You will then be asked to enter the amount you wish to pay and the details of the credit/debit card from which you wish the payment to be taken before clicking Pay Now.
